Dear N.U.T.S.,

Have you ever seen a grown woman with egg on her face? You have now. Actually, it was just a ploy to get your attention and make sure you come out to the meeting on OCTOBER 28 to be present for the nominations for new officers!

This is also a great time to show off your collections, and maybe find something you want to buy or barter for. (If nothing else, you can bring your favorite pumpkin!)

You can renew old acquaintances and make new ones. The club is only as good as its membership wants it to be, so each and every one of you is important.

I apologize for any inconvenience caused by the wrong date. Phil has a wet noodle ready for 20 lashes for me. I still have 2 issues to put out for 1993. If you have any suggestions, articles, or letters to the editor, I would really love to hear from you! (Of course, no complaints about the Editor are allowed!)

The weekend of UEA Conference my grandson, Casey, and I took the opportunity to go on our last fishing trip of the year. Sitting around the campfire late at night looking up at the multitude of stars, the discussion turned to falling stars and comets. Not five minutes later, we saw a falling star! He was ecstatic. It was the first real live falling star he had ever seen. The next morning, he suddenly shouted: "A deer, Grandma! There's a deer!" The deer, of course, took off at a dead run. But that didn't diminish the fact that he had seen a real live deer, right in our camp. At the end of the trip I told him I was sorry we didn't catch any fish. He told me this was the best time he had ever had on any trip because he had seen two firsts in his life. It made me realize that sometimes we forget what is really important!

PLEASE NOTE THAT THE NOVEMBER MEETING WILL BE HELD THE THIRD THURSDAY, NOVEMBER 18, DUE TO THANKSGIVING!

FROM THE PRESIDENT

Dear NUTS,

Last month's meeting with George Thompson was a good one. All that talk of Spanish gold and silver sure gets one's blood boiling! We would like to take this opportunity to thank George for coming.

We have not had a bourse night yet this year so I thought October would be a good time to hold one. Bring all your finds to buy, sell, trade or just show off. This is also a good opportunity to meet and visit with other club members.

We will be conducting some important club business at this meeting. We will be holding nominations for next year's officers and board members. Anyone who is interested in serving as President, Vice President, Secretary, Treasurer, Wagon Master, or Token Hunter Editor, please let us know so we can nominate you! This is your chance to become involved and help with the decision making for the NUTS Club.

The club needs lots of support from it's members to continue to be a good club. If at all possible, consider serving and helping NUTS.

Fall is upon us and soon the ground will be frozen again. It is a great time to get out and find those last treasures before winter arrives.

See you at the meeting!

Sincerely,

Bill Brown

WAGON MASTER BRUCE DUGGER

Dear Bob and all,

I'm writing this to you in hopes that you can see that all the people know how much I appreciated the many kind deeds.

To you, Bob, for the concern and the hospital visit, for the call from Glen, and the many things the Captain (can't remember his ^{name}) at the armory did in regards to my coins and my car.

Special, special thanks go to Jolene and Irene for their staying at the emergency room for so many hours, for showing their thoughts with my family, for stopping by my room in the C.C.U., for the calls to my daughters to check on my progress and especially thank for the flowers they sent to me. They were absolutely beautiful.

Again, thank to everyone. All the people in Utah were positively wonderful. Thanks again.
